Item Number 7

Issue

Consideration of Joint Resolution with the City of Martinsville Regarding House Bill 1384/New College Institute

Background

Delegate Danny Marshall has introduced HB 1384 for consideration during the 2016 session of the Virginia General Assembly. It would allow New College Institute to enter into an operations and governance agreement that may include a merger between NCI and a current state college/university; or the delegation or assignment of some or all of the duties at NCI to that state college/university. Co-Patrons of the bill include Del. Charles Poindexter, Del. Les Adams and Del. David Toscano, and Senator Bill Stanley.

Martinsville
A CITY WITHOUT LIMITS

WHEREAS, educational opportunity and attainment are among the best ways for a community to reach its full potential; and

WHEREAS, an avenue for these life-changing events in the Martinsville-Henry County community is the New College Institute, which serves the region well in the areas of undergraduate, graduate, and workforce training initiatives through its partnerships with numerous colleges in the Commonwealth; and

WHEREAS, these partnerships came after the original vision for NCI was to serve as a branch campus for an existing four-year university, or an eventual stand-alone four-year facility, only to see those plans halted by a faltering economy; and

WHEREAS, the path toward becoming a four-year institution always has been the ultimate goal of the governing bodies of the City of Martinsville and the County of Henry, as the City's Strategic Plan and the County's Legislative Package annually reflect; and

WHEREAS, while NCI's current organizational structure is of great benefit to Martinsville and Henry County, an even greater impact could come with conversion to a branch of a four-year institution or as a stand-alone four-year institution; and

WHEREAS, House Bill 1384 currently before the 2016 Virginia General Assembly could potentially clear the path toward that ultimate goal of becoming a four-year institution:

NOW THEREFORE BE IT RESOLVED, on this 2nd of February 2016, that the Henry County Board of Supervisors and the Martinsville City Council jointly reinforce their support of the New College Institute becoming a four-year institution, either as a branch campus of a current institution or as a free-standing institution.

BE IT FURTHER RESOLVED that both localities fully support and encourage the passage of HB 1384 to enable this to occur.
