Addendum #1:

Invitation for Bid #16-02243-2976 for **Henry County School Bus Garage, Heavy Duty Four Leg Parallelogram Vehicle Lift**, Opening Date February 24, 2016 at 3:00 p.m. Local Prevailing Time.

- Bid opening date has been changed from February 24, 2016 to **March 2, 2016 at 3:00 pm** local prevailing time.
- Site Visit/Additional Site Visits: All vendors must contact Charles Beasley at 276-647-3704 to arrange visit to the bus garage. Furthermore, no vendor shall be allowed in garage area without an appointment (NO EXCEPTIONS).
- Installation: Vendor shall have no more than 30 days to completely remove old unit and install new unit. Monday through Friday will be the available working days from 6:30 am till 4:30 pm. Additional details and dates will be discussed with awarded vendor and owner.
- On page 11 of the bid specs, the runway specifications shall be changed from 30' to 30".
- All parts/equipment/lifts..etc.... and the completed installation must meet OSHA, ALI certified and County Building Codes.
- All lifts must come with height adjustments.
- Lift must be fully operational for all Henry County School Vehicles.
- On Page 11 of the Bid Sheet- Change track length from maximum of 26' to 28'.
- On Page 11 under "Surface Mount with ramps" Change to, Flush Mount and Concrete Work: Vendor must prepare garage floor area by :
 - Removing existing concrete area, where needed, so that the new lift will be flush mounted. Furthermore, the lift must be flush with existing floor when fully lowered with zero tolerance.
 - Recess in floor must include water trap.
- If any building permits or VA licenses ..etc....are required then they must be purchased and paid by the vendor/installers/sub-contractors. Vendor and sub-contractors must obtain a Henry County Business license before starting work.
- Vendor and/or sub-contractors must supply a copy of insurance according to our specifications and any required VA contractor licenses (if applicable) with their bid.
- Once the lift is installed, it must then be fully operational with all doors to the garage area closed.
- Cleanup and disposal of any material related to prepping/preparing the garage area floor for the flush mounted lift will be the sole responsibility of the awarded vendor.
