General Overview:

The Henry County Sheriff's Office is changing the caliber of handguns based on the results of our staff researching the effectiveness of ammunition and the magazine capacity for duty handguns. Research included review of FBI testing of rounds. Our current handguns are five years old and reaching the point of replacement or repair work. Therefore, Henry County is seeking bids on equipment needed to complete the change over from .45 caliber to 9mm caliber weapons. The listed equipment is item specific. Any substitutions submitted for the holsters and ammunition shall include detailed comparison figures and specifications to prove equality. The manufacturer Glock has been chosen due to results from testing, review of customer service, and the current familiarization of the Glock weapons currently in use. No substitutions will be considered for the Glock model.

General Specifications:

The Sheriff's Office will be buying Glock model G 45 in black color with Glock bold night sights by Ameriglo with three magazines. Prices for trade in of Glock model 21 and model 36 currently in use will be listed in the bid sheet. The vendor shall provide each deputy the first option to purchase their trade in within a reasonable time frame. The bid shall indicate the amount of time the weapons will be held for the deputy to purchase the trade in. The vendor shall be able to provide the trade in buy back to the Sheriff's Office employees at a location within 50 miles of our Office at 3250 Kings Mountain Road, Martinsville, VA 24112.

The trade in models will not be available until after the purchase of all equipment and ammunition is delivered, all equipment is issued, and each deputy has qualified with the new Glock model G 45. This is anticipated to occur sometime around April 2019.

Bids are also being sought for accessories for these weapons. The accessories to be included in the bid response are light, light w/ laser, duty holster, thigh holster, paddle holster, and extra magazines. The model/part numbers have been listed for each.

The quantity amounts are estimates, actual numbers may be more or slightly less. The part numbers listed for supplemental items such as holsters, pouches, and light for the Glock weapons are gathered using best information available to us at the time. Should there be a more accurate part number or another equal item, please provide justification for the Sheriff's Office to evaluate. Delivery time is critical to the process and will be evaluated for the awarding of the bid. The Sheriff's Office reserves the option to pick individual items from bids for the order in an effort to reduce costs. Vendors can indicate savings for the County to place the entire order to a single vendor.

Glock Certified Armorer's Course:

The Henry County Sheriff's Office needs to have eight (8) certified armorers to maintain the weapons. The successful vendor shall provide the Glock Certified Armorer's Course to be hosted in Henry County. The bid shall indicate the number of free slots included and the cost per student above the free slots.

Additional Equipment/Future Purchase:

The Sheriff's Office reserves the right to purchase additional equipment after the initial order from the vendor awarded the contract. Bid prices shall be good until October 1, 2019.
