Winter I 2026

# A MESSAGE FROM THE DIRECTOR

Dear Fellow Citizens:

The staff at Henry County Parks and Recreation wishes everyone a happy, healthy and prosperous new year! If you are starting 2026 looking to be more fit, active and healthy, there are a lot of options with our department to help you achieve your goals. There are 29 park facilities in Henry County and most provide some type of option to be active. The Dick and Willie Trail is one of the most popular options with 11 miles of paved trail that you can walk, bike or run on. The new outdoor fitness station at the Smith River Sports Complex is also a great way to enjoy workouts on your own.

We have a lot of programs and activities planned for 2026 for all ages. You can follow all of our social media pages on the back page of this guide to stay up to date on everything we offer. Please contact our office if you need more information about anything in this guide.

Thank you for your interest in Henry County Parks & Recreation, and have fun!

## GEOCACHING CHALLENGE

We have four special geocaches hidden throughout our parks for the Geocaching Challenge. Each cache has a brand new log in it. The first person to find all four caches, sign the log book in each one, and call in their results will receive a prize bag filled with "outdoor goodies". These are not the same caches as that are hidden at other county parks.

**How to play the game:** Call us at 276.634.4645 to get the coordinates for the first cache. Caches will not be placed outdoors until May 1st, so no calls before then. Each cache you find will contain the coordinates to the next cache. Sign & date the log in all the caches. Once you have found all four caches, call in your findings to 276.634.4645. Be sure to leave a phone number to contact you. We will go out and make sure you signed all the logs and then call you so you can claim your prize.

## ST. PATRICK'S DAY GEOCACHE

Let's see if you can find the pot of gold at this special St. Patrick's Day geocache. Use one of the county trails to find this cache and then claim your prize. Use your phone to download one of the many geocaching apps and see if you can find this cache. The St. Patrick's Day Geocache will be put out to find on March 16th.
