In lieu of submission of an erosion and sediment control plan for the construction of this single family dwelling, I agree to comply with any reasonable requirements determined necessary by employees of Henry County, representing the Erosion and Sediment Control Program Administrator. Such requirements shall be based on the conservation standards contained in the Henry County Erosion and Sediment Control Ordinance, and shall represent the minimum practices necessary to provide adequate control of erosion and sedimentation on or resulting from this project.

As a minimum, all denuded areas on the lot shall be stabilized within 7 days of final grading with permanent vegetation or a protective ground cover suitable for the time of year.

I further understand that failure to comply with such requirements within three working days following notice by the representative of Henry County could result in citation for violation of the Henry County Erosion and Sediment Control Ordinance.
